- ▶ **Conditions of credit award:**
  - ▶ To hand in a project (last week of the semester, **50 points**).
    - ▶ Competition assignment (see next slide).
  - ▶ To pass a test (last week of the semester, **20 points**, min. 50%).

- ▶ The aim of the course is to teach you something – if the presentation is too fast, be heard.
- ▶ If you have an idea / proposal how to solve a problem in a more efficient way, put it forward.
- ▶ Can happen that the lecturer is not able to answer your question immediately. In that case the answer will be provided during the next lecture.
